Specifically, Section 35-10(b) of the ILCRA states, in relevant part:

To assist in carrying out this Act, the Secretary shall adopt rules incorporating the regulations applicable to covered financial institutions under federal law, and the Secretary may make such adjustments and exceptions thereto as are deemed necessary.

Accordingly, this Part (i) may include references to federal statutes or administrative rules established pursuant to the federal Community Reinvestment Act and (ii) except where this subpart makes adjustments or exceptions to the federal administrative rules established pursuant to the federal Community Reinvestment Act or where inconsistent with the ILCRA or this subpart, this subpart shall be construed and interpreted consistently with the appropriate federal financial supervisory agency's construction and interpretation of the federal rules.

 - 1) *Lending, investment, and service tests.* The Secretary applies the assessment factors, as provided in Section 345.200 of this subpart, and lending, investment, and service tests, as provided in Section 345.220 through 345.240, in evaluating the performance of a bank, except as provided in paragraphs (a)(2), (a)(3), and (a)(4) of this section.

The bank may elect to be assessed as provided in paragraph (a)(1) of this section only if it collects and reports the data required for other banks under Section 345.410.
 - 4) *Strategic plan.* The Secretary evaluates the performance of a bank under a strategic plan if the bank submits, and the Secretary approves, a strategic plan as provided in Section 345.270.

NOTICE OF PROPOSED RULES

- e) Low-cost education loans provided to low-income borrowers. In assessing and taking into account the record of a bank under this Part, the Secretary considers, as a factor, low-cost education loans originated by the bank to borrowers, particularly in its assessment area(s), who have an individual income that is less than 50 percent of the area median income. For purposes of this paragraph, “low-cost education loans” means any education loan, as defined in section 140(a)(7) of the Truth in Lending Act (15 U.S.C. 1650(a)(7)) (including a loan under a state or local education loan program), originated by the bank for a student at an “institution of higher education,” as that term is generally defined in sections 101 and 102 of the Higher Education Act of 1965 (20 U.S.C. 1001 and 1002) and the implementing regulations published by the U.S. Department of Education, with interest rates and fees no greater than those of comparable education loans offered directly by the U.S. Department of Education. - f) Activities in cooperation with minority- or women-owned financial institutions and low-income credit unions. In assessing and taking into account the record of a nonminority-owned and nonwomen-owned bank under this Part, the Secretary considers as a factor capital investment, loan participation, and other ventures undertaken by the bank in cooperation with minority- and women-owned financial institutions and low-income credit unions, and the Secretary may consider favorably whether the minority- and women-owned financial institutions and low-income credit unions are organized under the laws of Illinois and/or are mutually-owned. Such activities must help meet the credit needs of local communities in which the minority- and women-owned financial institutions and low-income credit unions are chartered. To be considered, such activities need not also benefit the bank’s assessment area(s) or the broader statewide or regional area that includes the bank’s assessment area(s).
- g) *Disparity Study. The Secretary may retain qualified persons to design and conduct a study to, and prepare and report findings and conclusions to the Secretary (1) to identify and describe geographies in Illinois exhibiting significant disparities by race or other protected characteristics in access to relevant financial products or services, and (2) to develop methods and procedures to identify policies, procedures, patterns, or practices that have disparate impact or discriminatory effects. Following the publication of this study, the Secretary may incorporate the findings, conclusions and other results from the study into the examination process.*

- b) *Lending, investment, and service tests.* The Secretary assigns a rating for a bank assessed under the lending, investment, and service tests in accordance with the following principles:

Section 345.400 Assessment Area Delineation

- a) *In general.* A bank shall delineate one or more assessment areas within which the Secretary evaluates the bank's record of helping to meet the credit needs of its community. The Secretary does not evaluate the bank's delineation of its assessment area(s) as a separate performance criterion, but the Secretary reviews the delineation for compliance with the requirements of this section.

- d) *Adjustments to geographic area(s).* A bank may adjust the boundaries of its assessment area(s) to include only the portion of a political subdivision that it reasonably can be expected to serve. - e) *Limitations on the delineation of an assessment area.* Each bank's assessment area(s):
 - 1) Must consist only of whole geographies;

 - 4) May not extend substantially beyond an MSA boundary or beyond a state boundary unless the assessment area is located in a multistate MSA. If a bank serves a geographic area that extends substantially beyond a state boundary, the bank shall delineate separate assessment areas for the areas in each state. If a bank serves a geographic area that extends substantially beyond an MSA boundary, the bank shall delineate separate assessment areas for the areas inside and outside the MSA.
